

SUMMER VEGGIE SHARES

CSA Shares:

- *Support Your Local Farm*
- *Offer you a better deal on the freshest quality produce*

How does it work?

Your prepayment helps us purchase our seeds and continue growing your wonderful produce. Your Weekly Shares will include some of the over 40 varieties of vegetables we grow when they are in season and the freshest.

Tomatoes, Rainbow Cherry Tomatoes, Rhubarb, Potatoes, Arugula, Rainbow Chard, Baby Kale, Head Lettuce, Baby Lettuce Mix, Spicy Greens, Spinach, Broccoli, Cabbage, Carrots, Cilantro, Parsley, Basil, Rosemary, Celery, Cucumbers, Snap Peas, Sweet Peppers, Hot Peppers, Radishes, Turnips, Scallions, Summer Squash, Zucchini, Eggplant, Winter Squash, Onions, and more!

A share feeds a family of 4 people that eats most meals at home or 2 adult vegetarians, and goes for 18 weeks (June-October). A share cost \$550.00, when broken down that is a little over \$30.00 a week. All shares are prepaid by May 1, 2017. Installments can be made as long as balance is paid in full by May 1, 2017.

As the First Harvest pick up time nears, an email will be sent to prepare for what to expect (time, location of pickup, other pertinent information).

Commonly asked Questions?

What if I don't like what is in my bag?

You, may swap your item on the Swap table. Buying Farm Shares gives you an opportunity to try a new vegetable. Feel free to ask us how we eat certain vegetables. We will be sharing our recipes too.

What if I am not able to make my scheduled pick up time?

Prior arrangements can be made, selecting another individual to pick up your share, or other time based on circumstance. All Shares not picked up on selected day without prior arrangements will be donated.

What if one Share is too much for me?

Find a friend and share or ½ shares are available for \$300.00.

What if one share is too small for my family?

You are invited to buy more shares.
